THE Y...MEETING THE NEEDS.

YOUTH DEVELOPMENT

The Bob Sierra Family YMCA teaches kids and teens life skills through summer camp, afterschool programs and youth sports. One of our signature programs is gymnastics, which not only provides kids with opportunity to reach their full potential as young gymnasts, but also instills life values, such as camaraderie, confidence and the importance of having a positive support system.

HEALTHY LIVING

Each year, the Bob Sierra Y helps more than 14,000 community members live a healthy lifestyle, prevent and manage chronic diseases through a variety of research-proven programs, such as the Y Diabetes Prevention Program and Silver Sneakers. An average of 40 cancer survivors and their family come to the Bob Sierra Y every year to heal and gain support through LIVESTRONG at the YMCA.

SOCIAL RESPONSIBILITY

The Bob Sierra Y saves lives by teaching more than 1,500 children and teens how to swim each year. This includes teaching infants as young as six-months-old how to save themselves should they fall into a body of water with our Infant Swimming Resource (ISR) program.
